Beautiful 3-bedroom, 1 1/2 bath home with additional lot. updated kitchen, living room and great room that could be a 4th bedroom. Kitchen has dishwasher, Ice and water to fridge and updated Hickory cabinets. Many different built in shelves in living room and dining room. Additional attic space could serve as play area or plenty of room for more storage. Bedrooms are large with large closets. Extra lot can be built on and has water and sewer hookup or keep the 60x60 garden area going all summer long. Enjoy the 2 nectarine trees and many blackberry bushes, Shed and extra open space. Many financial options available.
